

RAM PROMASTER

THE RAM PROMASTER IS A HIGHLY CUSTOMIZABLE AND VERSATILE COMMERCIAL VAN DESIGNED FOR A VARIETY OF BUSINESS AND PERSONAL NEEDS.

The **Ram ProMaster** is designed with versatility in mind, making it one of the most adaptable work vans on the market. It features the largest and widest cargo area in its class, with the ability to choose from three cargo height options and four cargo length options. The ProMaster offers a range of customization options, whether you need more height or length.

Class-Leading Cargo Dimensions: The ProMaster offers the largest and widest cargo area in its class

Roof Height Options: Choose from standard, high, or super high roof options for maximum cargo height (66, 77, and 86 inches respectively)

Cargo Length Options: Select from various cargo lengths (8, 10, 12, and 13 feet) depending on the model.

Width: The ProMaster provides a six-foot, three-inch width from wall to wall and four feet, eight inches between the wheel wells.
